XtremeMac™

XtremeHD HDMI to HDMI™

High Density Multimedia Interface (HDMI) is the new gold standard for high definition, combining high-bandwidth digital video and multi-channel digital audio in one compact video cable. XtremeHD™ HDMI cables exceed the latest HDMI specifications to provide the most advanced connection available for your A/V components.

With the XtremeHD HDMI cable you can connect Apple TV, HDTV, DVD players, HD DVD, satellite dish receivers, gaming consoles and more to your A/V receiver or HDTV for unsurpassed video clarity and audio performance.
